Customer Reviews, including Product Star Ratings help customers to learn more about the product and decide whether it is the right product for them. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. Learn more how customers reviews work on Amazon Stock Image Please choose whether or not you want other users to be able to see on your profile that this library is a favorite of yours.
